REMARKS

Claims 1-24 are in the application.. Claims 1-18 have been cancelled. Claims 19-23 are allowed. Claim 24 is objected to as being in improper dependent form and is also rejected as anticipated by Kumar et al. As noted in applicant's previous responses, applicant maintains that the Kumar et al. does not teach the structure described in Claim 24. However to advance prosecution of the present case, applicant has elected to cancel Claim 24 in this application without prejudice Claim 24's refiling in a subsequent application.

In view of the foregoing amendment, allowance of the above-referenced Claims 19-23 is respectfully requested.

If anything further is needed to advance allowance of this application, the examiner is invited to contact applicant's attorney at the telephone number below.

Respectfully submitted,
